Prevail Bank will match donations to the United Way of Portage County up to \$1,000

Prevail Bank is encouraging the Stevens Point community to donate to the United Way of Portage County. Since 1945, this organization focused on providing positive change and services to its community, encompassing the areas of education, health, and financial stability. Anyone in the community can drop off monetary donations to Prevail Bank in Stevens Point at 5709 Windy Drive, Suite A by December 17, 2021. Prevail Bank will match all donations up to a total of \$1,000.

Dustin Dietel, Prevail Bank's Branch Manager for Stevens Point, states, "The United Way positively impacts Central Wisconsin and we are proud to support such an instrumental organization in our community. United Way has increased its efforts this past year, focusing on mental wellness services and support, future employment of working-age residents, housing needs, medical access, and child care. United Way of Portage County continues to evolve and responds to our ever-changing community needs. It makes Central Wisconsin a better place to live, work, and play!"
