### LOCAL MOBILE FOOD PANTRY RECEIVES \$500 FROM PREVAIL BANK

A donation of \$500 was provided to the Indianhead Community Action Agency as part of Prevail Bank's Charitable Contribution program. The donation will purchase boxes and bags for a new refrigerated mobile food pantry truck that will deliver food to those who live in smaller, rural communities throughout three Wisconsin counties to increase access to nutritious food, in addition to providing referrals to other services that will help increase equity for these individuals and families.

"We and our clients really appreciate Prevail Bank's generosity," said Rachel Stilwell, Prevention Services Director. "Our mobile food pantry is a service that is especially appreciated by those individuals and families who lack transportation and would otherwise go hungry."

Laura Deuso, Prevail Bank Branch Manager - Medford, shared, "Prevail Bank is proud to support the mobile food pantry that will deliver food to people in Taylor, Rusk and Washburn counties. We're committed to supporting those who are less fortunate, especially when it comes to finances and hunger."

Indianhead Community Action Agency's mission is to assist individuals in achieving self-sufficiency by providing the resources, education, and services necessary to develop healthy families, sustainable communities, and strong local businesses.

Prevail Bank's goal is to pursue what's possible within its local communities. Passionate about the advancement of community based projects and supporting local organization growth, Prevail Bank is a community bank that is continuously working to support the communities it serves.

Prevail Bank's Charitable Contributions program is available for local non-profit organizations that help local people in need, especially those with low-to-moderate incomes; stimulate communities financially; and/or enhances the standard of living of those less fortunate.
