### LAURA DEUSO JOINS THE PREVAIL BANK BRANCH MANAGEMENT TEAM

Prevail Bank is pleased to announce that Laura Deuso has joined the Medford team as Branch Manager. Deuso has over five years banking, cash management, and teller supervisory experience, in addition to two-a-half years in office management and human resource management.

“We’re very happy to have Laura join the Prevail team in Medford,” says Renee Leinfelder, Senior Vice President of Retail. “Her years of customer service and banking experience will make her transition seamless. I look forward to working with her and watching her build relationships with our customers.”

“What impressed me about Prevail Bank was the fact that it has the feeling of a small community bank with a strong emphasis on customer care and engagement,” says Deuso. “I’m looking forward to coaching and developing my Prevail Bank team, so together we can impact every customer we serve in a positive way.”

Deuso, a 2005 Rib Lake graduate, is very excited to return home to Westboro, Wisconsin with her husband, Colin, and two sons. When she’s not working, she enjoys spending time with family, painting, fishing, cooking and relaxing by a campfire.

Prevail Bank is a federally chartered savings bank founded in 1934 with locations in Baraboo, Eau Claire, Marshfield, Medford, Owen, Phillips, Stevens Point, Wausau and Wisconsin Rapids.
