### School supplies provided; kids' meals supported by Prevail Bank

Fifteen-hundred dollars (\$1,500) was split between multiple school districts, United Ways, and *Meals in a Backpack* programs to support children who don't have all the supplies or nourishment they need to be successful in school. These funds, donated by Prevail Bank, were spread across nine counties. An additional \$750 was used to purchase actual school supplies.

"Prevail Bank is very proud to contribute to the well-being of our local children," said Nathan Quinnell, Prevail Bank President. "We want to ensure no child is hungry and that they have all the materials needed to be successful in school."

The U.S. Census Bureau (American Community Survey 2022) and the Annie E. Casey Foundation estimates 13.4% of the children in Wisconsin live in households below the poverty level.

Making a difference, helping others prevail, is the essence of Prevail Bank.
