**PREVAIL BANK PROVIDES \$1,000 TO MEDFORD CITY PARK STAGE**

(Medford) Prevail Bank provided \$1,000 to help construct a performance stage in Medford’s City Park, a project initiated and organized by Medford community members.

“We are very happy to support the community-favored band shell project,” said Kori Miller, Prevail Bank Branch Manager. “It’s an especially exciting project because it could bring more regional and national entertainment opportunities to Medford, in addition to a wider variety of local entertainment to an outdoor venue.”

“A band shell in the Medford City Park will help ensure community events all year long,” said Billie Hartwig, Medford Area Chamber of Commerce’s Vice President. “... from live music performances and outdoor church services, to weddings, plays, and dance recitals. We are very appreciative of Prevail Bank’s support.”

The \$250,000 project is slated for completion in August of 2023. Donations are still being accepted.
