RITCHAY PROMOTED TO VICE PRESIDENT

On March 6, Vinny Ritchay was promoted to Vice President – Commercial Credit at Prevail Bank.

“Vinny has 12 years of credit experience and knows the bank’s credit philosophy and processes very well,” said Nathan Quinnell, President of Prevail Bank. “He has a great work ethic, and we feel he has earned this opportunity to continue to further his career.”

Ritchay’s responsibilities will include managing Prevail Bank’s credit analysts and getting more involved with other credit projects such as Abrigo, small business lending, CECL (Current Expected Credit Losses), and portfolio stress testing. The Wisconsin Rapids branch is his base office.

A Wisconsin Rapids native, Ritchay played college basketball for and acquired his Business Administration degree from UW-Stevens Point. When he isn’t working, he still enjoys basketball, golf, and spending quality time with his wife and two young daughters.
